DESCRIPTION

This concentrated product will provide quick penetration of lime and mineral deposits with free rinsing and excellent results. This product is designed for the toughest deposits of any concentration. Blue-green in color with a slight sulfur odor and a pH of 1.

WHAT DOES IT DO?

LIME DELETE removes lime and mineral deposits quickly with no foam build up.

WHY IS IT USED?

LIME DELETE eliminates mineral build-up, increasing equipment functionality while decreasing repairs associated with lime and mineral build-up. Safe to use on stainless steel, aluminum and other metals used in food serving areas such as dish machines (interior & exterior), steam tables, coffee urns, glassware, china and plastic ware.

HOW IS IT USED?

Commercial Dish Machines: Fill wash tank $\frac{3}{4}$ full. Add 1 gallon of LIME DELETE to tank. Turn on machine and circulate until lime-free. Drain and flush.

Coffee Urns: Add 2 gallons of hot water to urn. Add 12 oz. of LIME DELETE, swab down interior, drain and flush thoroughly.

Glassware: Use $\frac{1}{2}$ oz. of LIME DELETE per gallon of water. Soak glassware until it is clean of lime build up. Rinse thoroughly.

Steam Tables: Spray or brush full strength on steam coils. Let stand 5 minutes. Fill tank with hot water. Brush steam table interior thoroughly. Drain and rinse with clean water.

PACKAGING

This product is available in 1 gallon, and 55 gallon containers.
