## Pot Shot

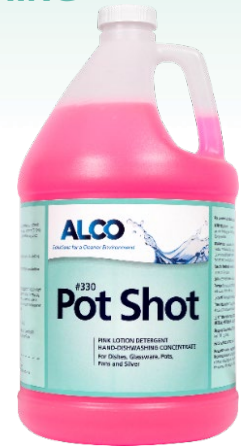

CONCENTRATED PINK LOTION DETERGENT FOR HAND-DISHWASHING

### DESCRIPTION:

POT SHOT is a pink, highly concentrated commercial hand dishwashing detergent that is ultra-mild to the hands.

### WHAT DOES IT DO?

POT SHOT dishwashing detergent contains water conditioners, foam stabilizers and emollients for sensitive skin. Excellent for use on pots, pans, dishes, glassware, stainless, aluminum and silverware. POT SHOT maintains a copious foam blanket, even in heavy greasy solutions.

### BENEFITS:

- Cost-effective: at 1oz to 4 gallons of water for normal use- 1 gallon of POT SHOT concentrate produces 2,048 gallons of ready to use solution
- High suds & grease cutting components
- Gentle on hands
- Contains no Alkalis
- Leaves no water spots or soap scum & requires no toweling
- Works well in hard or soft water conditions & may be used in cold water

### HOW IS IT USED?

- Normal Use: approximately 1 oz. of POT SHOT per 3 to 5 gallons of water
  - Light Duty Application: 1 oz. of POT SHOT per 10 to 20 gallons will suffice
  - Heavy Duty Cleaning: 1 oz. of POT SHOT to 2 gallons of water
1. Run in water with force to produce rich, abundant suds
  2. Allow to soak, then rinse and drain
  3. No toweling needed to produce sparkling, shining dishes, silver, pots, etc.

Other Uses: POT SHOT is wonderfully effective for many household uses such as the laundering of lingerie, cashmeres, nylons and cottons. Simply squeeze rich POT SHOT suds through your hand washable apparel and rinse with cool water.

**AVAILABLE IN:** 4- 1 Gallon Case | Closed Loop | 5 Gallon Pail | 55 Gallon Drum
