

#154-22

Meltdown Jr.

BASEBOARD STRIPPER

DESCRIPTION:

MELTDOWN JR. is a clinging gel that works as a baseboard stripper & heavy wax buildup remover.

WHAT DOES IT DO?

MELTDOWN JR. quickly removes soil, wax and most copolymer finishes.

WHY IS IT USED?

MELTDOWN JR. sprays in an inverted position for pinpoint accuracy, making it ideal for buildup on baseboards, corners and other hard to reach areas.

HOW IS IT USED?

DIRECTIONS:

1. Shake well before using.
2. Use in upside down position only.
3. Spray can approximately 10 to 12 inches from baseboard or surface being stripped.
4. Apply in a thin, even coating that covers the wax.
5. Allow for product to remain on surface for 3 to 5 minutes, longer in case of substantial buildup.
6. Wet scrub the surface with an abrasive pad or scrub brush.
7. Repeat until all wax is removed.
8. Rinse surface with clean water and allow for area to dry thoroughly before repolishing.

OTHER USES: This product can be used on baseboards, corners, edges, steps, around urinals and other hard to reach areas where wax buildup occurs.

PACKAGING:

MELTDOWN JR. is available in 20 oz. aerosol cans. 12 cans/case.
